

Interested in reaching Auburn fans, alumni, visitors, and residents of the area with a unique advertising opportunity?

Grab-a-Cart will be operating in downtown Auburn, Auburn University's Campus, and the surrounding area beginning summer of 2018. We will be giving our advertising partners a unique advertising platform while cruising around campus during the week, weekends, and during Auburn game days among the 100,000+ fans. Your branded carts will also gain exposure during events such as grand openings/ribbon cuttings, holiday parties, and private events etc. while also keeping a presence in the downtown Auburn area. Call today to incorporate Grab-a-Cart into your marketing plan.
